

Belleville® Fiberglass Entry Door

LIMITED LIFETIME WARRANTY

Masonite ("Manufacturer") provides this product warranty to you, the original consumer purchaser ("Owner") for as long as you own and reside in the house in which the Masonite Entry Door is installed (Owner's "Lifetime"). Warranties are available for inspection prior to signing the Contract for Goods and Services.

LIMITED LIFETIME WARRANTY

Manufacturer extends the following warranties to Owner:

- **PANEL:** is free of manufacturing defects in material and workmanship from the date of its original installation and the panel will not dent or rust and resists warping, splitting or cracking.
- **FRAME AND THRESHOLD:** parts are warranted against manufacturing defects for the Owner's Lifetime.
- **DOOR LITES AND DECORATIVE TRIM AND LITE MOULDINGS:** all parts are warranted for a period of one (1) year from defects in material and workmanship.

How to Obtain Warranty Service: This warranty is offered by Masonite. To submit a claim, Owner must send a description of the claim to Manufacturer's agent, *Improveit!* Home Remodeling, 40 West First Avenue, Columbus, Ohio 43201 or contact *Improveit!* Home Remodeling at 1-800-555-6125 or www.improveitusa.com. Claims must be submitted to *Improveit!* Home Remodeling for processing to Manufacturer promptly after discovery of the claimed defect and within the applicable warranty period. *Improveit!* Home Remodeling will then schedule an appointment to inspect the premises and the warranty claim on behalf of Manufacturer within a reasonable period of time after having received the claim. Manufacturer shall have the right to substitute product(s) designated by Manufacturer to be of equal quality. Replacement of a product or component does not renew the warranty period. If, at Manufacturer's option, a purchase price refund is conveyed to the Owner, then all warranties are terminated, and repair, replacement, or removal of Manufacturer's products shall become the sole responsibility of the Owner. No warranties are valid unless and until the Owner has made full payment under the original Contract for Goods and Services and all addenda thereto.

What Is Not Covered: All warranties terminate immediately upon the transfer of home ownership. All warranties assume normal and reasonable use of installed products or components. Minor color or textural variations from lot-to-lot of product are not product or installation defects. This warranty does not cover any other damage, workmanship, or material failure including, but not limited to, damage caused by occurrences beyond the control of Manufacturer, such as settlement of the building, failure of the structure (including foundations and walls), use of incompatible accessories, removal, repair, or re-installation of any Manufacturer products or components by other than *Improveit!* Home Remodeling, normal weathering, corrosive effects of salt air and chemical pollutants, normal fading, deterioration of caulking compounds, fire, flood, lightning, high winds, windblown objects, earthquake, hurricanes, ice dams, icicles and/or ice storms, atmospheric conditions or weather of catastrophic nature as defined by the U.S. National Weather Service, other acts of God, intentional acts, unreasonable use, vandalism, or pollution. This warranty also will not apply to damages resulting from the failure to provide reasonable maintenance, including failure to clean the product, maintain sealing, painting, and/or caulking as reasonably necessary. This warranty does not apply to damages due to or arising from the identification, detection, abatement, encapsulation, or removal of mold, asbestos, lead-based products, or other hazardous substances inside or outside of the structure being improved. Manufacturer is not responsible for condensation that may form on a window resulting from pre-existing conditions in the Owner's home and external temperatures. Reducing the humidity in the home will often remedy any condensation problems. Caulking, coil, nails, screws, wood and trim is not considered a part of the door and therefore is not covered by this warranty. This warranty does not cover glass. This warranty does not cover use of improper cleaning products or materials, or damage caused by accidents, owner negligence, alterations, abuse or misuse.
